PRESS RELEASE

1st September 2026, Lorient

BARNES YACHTING AND MODX CATAMARANS JOIN FORCES TO REDEFINE THE LUXURY CATAMARAN EXPERIENCE

Strategic partnership combines the MODX70's innovative approach to catamaran design with BARNES Yachting's international reach and access to an exceptional global clientele.

BARNES Yachting and MODX Catamarans are pleased to announce a new strategic partnership, bringing together two brands united by a shared vision of contemporary luxury, innovation and exceptional experiences on the water.

The partnership will expand the international presence of MODX Catamarans, with BARNES Yachting representing and promoting the brand to its established network of discerning yacht owners, buyers, charter clients and international partners.

By combining the MODX70's unique approach to eco-friendly yacht design, construction and operation with BARNES Yachting's expertise in luxury yacht sales, charter and co-ownership, the partnership creates new opportunities for clients seeking a more individual and sophisticated approach to life at sea.

“MODX represents a new generation of sustainable catamaran design, combining distinctive aesthetics, performance and an exceptional approach to space and lifestyle. We are delighted to bring this proposition to our international clientele and believe the partnership creates a strong platform for long-term growth.”

Inigo Nicholson
CEO, BARNES Yachting

“BARNES Yachting is the natural extension of the BARNES International brand, bringing the same excellence, discretion, and lifestyle curation that has made BARNES a leader in global luxury real estate.

BARNES Yachting delivers the same standard on the water. Our strategic partnership will offer a unique opportunity for BARNES's worldwide clients to discover the new MODX70, the future of yachting; 100% electric, 100% renewables energies and fully automated sailing offering silence, luxury and serenity at sea.”

Franck DAVID
CEO, MODX Catamarans

ABOUT MODX Catamarans

MODX Catamarans is a French yacht builder developing a new generation of luxury yachts, combining contemporary design, advanced technology, performance and exceptional living spaces. MODX offers a distinctive alternative for owners seeking a sophisticated and highly individual experience at sea. The MODX 70, flagship of the MODX Catamarans brand, paves the way for responsible, environmentally respectful sailing with a 100% electric propulsion relying on renewable energies only, integrating cutting-edge "Made in France" technologies. With its fully automated Aeroforce® wind propulsion system, eco-designed equipment, and full energy autonomy, this 70-foot catamaran combines design, performance, and durability. Every detail is conceived to minimize the impact on the Ocean while offering exceptional comfort and functionality.
